

DEPARTMENT OF COMMERCE
AMAR SINGH COLLEGE, SRINAGAR
"NAAC Accredited B"- Cluster University Srinagar- Gogji Bagh -190008

Registration on DigiLocker and Creation of ABC (Academic Bank of Credit) Account thereof.

The undersigned informs you that the college has implemented a new system for managing academic credentials through DigiLocker. In order to streamline the process and ensure the security of your academic records, it is mandatory for all students to register themselves on DigiLocker and create an ABC (Academic Bank of Credit) Account therein.

DigiLocker is a secure cloud-based platform endorsed by the Government of India, designed to store, access, and share digital documents and certificates. Your academic credentials will be securely stored on this platform, providing you with easy access whenever needed.

To complete your registration and create your ABC Account on DigiLocker, please follow these steps:

Visit the DigiLocker website or download the DigiLocker App from the **Google Play Store/App Store**.

Sign up for a DigiLocker account using your **Mobile Number and verify it with the OTP**.

After successfully creating your DigiLocker account, proceed to create your ABC Account within the platform.

Once your ABC Account is created, upload your academic credentials, including certificates, mark sheets, and other relevant documents.

Additionally, to maintain a record of your registration and ensure seamless communication, please furnish the details of your DigiLocker registration on the following link:

<https://forms.gle/GapWDZ9ir1BuQdYE8>

It is imperative that all students complete this process at the earliest to avoid any inconvenience in accessing their academic records in the future.

For any assistance or queries regarding the registration process, please feel free to contact the college administration.
