## NOTICE

This is for the information of all the Teaching/Non Teaching and students of the college that the Honourable Prime Minister has gifted to the world a new vision and perspective on Women Empowerment by prioritizing Women -Led Development under India's Presidency of G20. Hon'ble Prime Minister during the video address to the delegates of G20 Ministerial Conference on Women's Empowerment (MCWE) 2023 had announced the **TechEquity Platform** on 2<sup>nd</sup> August, 2023, highlighting its pivotal role in equipping women with digital and financial literacy skills.

The TechEquity platform aims to provide equity and access to high quality learning and skilling programs to enhance the career potential and growth opportunities for women.

The G20 EMPOWER Digital Inclusion platform is targeted at upskilling and reskilling women with a range of interests -learners, working professionals, entrepreneurs, and simply curious minds who are looking to upskill themselves.

The G20 EMPOWER Digital Inclusion platform focuses on:

- Introducing digital literacy, digital financial literacy, technical skill development and core skill enhancement, to gain knowledge and skills necessary in a digitized world.
- Broadening perspectives, towards the possibilities and concerns around digitalization.
- Building awareness and encouraging women to embrace the spectrum of opportunities that digital technology skills, bring to our future we invite all women to join the TechEquity platform to accelerate their growth journey.
