GO4Youth Olympiad

The directives of the Hon'ble Supreme Court of India make the inclusion/implementation of Environmental Science at the undergraduate level compulsory. This ensures that students are equipped with the necessary knowledge and skills for addressing complex environmental issues.

Pertinent to this, **GO4Youth** was launched on the side-lines of GREEN Olympiad. It is an annual MCQ-based examination for students that evaluate environmental consciousness, behavior, and aptitude of individuals. The examination has an interdisciplinary approach and covers information about Mission LIFE and other national priority schemes. The examination aims in engaging students in a systemic exercise through an innovative competitive process, designed to check the level of awareness and comprehension of the students about climate change, pollution, waste management, sanitation, conservation of biological diversity, management of biological resources and biodiversity, forest and wildlife conservation, and sustainable development and living.

GREEN Olympiad for Youth (GO4Youth) is open for any student in the age group of 18-25 years and enrolled in a Higher Education Institution (HEIs) in India. **GO4Youth Olympiad** is organized by The Energy and Resources Institute (TERI) and endorsed by the University Grants Commission (UGC), Ministry of Education (MoE) and Ministry of Environment, Forest and Climate Change (MoEFCC).

More about the program is available at https://www.teriin.org/olympiad/go_4_youth.php.

Participation benefits include the following:

- e- Certificates for all participants
- Merit (60-79%) and Distinction (80% & above) e-Certificates for all the students based on their respective scores
- Cash awards for top three positions
- Membership of TERI's youth network
- Internship opportunities at TERI and other institutes of eminence
- Building up your environment portfolio

The mode of the examination is online. Registration begins on January 31, 2024. Last date for registration is February 25, 2024. And the tentative dates of examination are April 8-14, 2024.

All the students are encouraged to take part in the Olympiad and make the best of this opportunity.
