STUDENT NOTIFICATION

Dear Students,

It has come to the notice of college administration that during vacant classes and breaks the students sit idle in the classrooms rather than utilizing their precious time for recreational and sports activities in the college field. It is as such notified for the students to get themselves enrolled in various sports and games offered by the physical Directorate of the college to make a productive and better use of their time in the College.

It is also impressed upon the students that sitting idle, taking beverages and lunch inside classrooms is strictly prohibited.
